- Joyce Edgar said she thought we were at 42 first timers which is a large number.
- David Edgar said folks told him it was one of the most relaxed and fun GoF West.
- Owner's name not recorded - Thanks to those putting on this year's GoF West and Steering Committee.
- Owner's name not recorded - Emails from Joyce Edgar throughout the year were helpful.
- Jeff Brown (first timer) He had questions regarding what to wear. No ties. Have fun. No rules which is good.
- Hotel Staff was good to work with for event. They wanted a ride in an MG.
- Val Howard-Hogue commented that some folks from the SVMGCC said to her that they would like a ride in her MGTD. I told them to ask when I have that MG at an event. One other person said they took someone that use to have a TD on the rally. Jeff commented that another club that he belongs to has a "Have a ride in your Dream car". Could have folks who are willing take others in a MG that they might want to buy to see if they fit, etc. Also a dawn patrol/drive that people get up at 6am and then have breakfast. They had upwards of 50 people go on these events.
- How was Bunco? 28 people attended and a table was added to the original 24 people.
- Watercolor had 14 people attended.
- Fran Thelander commented that the hotel breakfast staff seemed overwhelmed and one waitress fell. Joyce said it appeared they did not staff up for our event. She will let the hotel know. They have good staff, but not enough.
- David Edgar commented on trailer parking. Create a designated off-load site. Trailer needs to be addressed.

Replace those Steering Committee members whose terms are expiring who are David Edgar and H. Garcia. David's term is up and he has decided to not run again because the Edgars would like the Board to have move diversity. H. has said he would run again if nominated.
