April - 2023

## No April Fooling

We've added a new category to the MG MODEL competition,  
**Paper MG Models**

Competition may be tough. Here is one made by TCMG member Cliff Lemieux

Oct 16-20, 2023

There are 3 MG cut-outs available:  
MGB Roadster  
MG Midget  
MG TC

Cutout patterns can be found at:  
[mossmotors.com/papercar-cutouts](http://mossmotors.com/papercar-cutouts)

They also have other British cars you could modify to make your own MG or you can come up with your own design, call it an MG and we'll let you into the contest.

You can choose any model of car, it doesn't have to match your MG and all paper models will be judged together (no classes).

## A Big Thank You to our Early Supporters

Their early support is really helping us prepare
