Following are comments as recorded by Val:

⇒ Mike Campbell stated that this year's GoF West was an 8 out of 10.

⇒ Dave said that he had fun.

⇒ It was brought up that each registrant was to be given two patches and two pins. Somehow this detail did not get communicated to this year's GoF West committee. This decision was made a few years back.

⇒ It was noted that the copy of the "Red book" (the guidebook for holding GoF events) on the GoF West website was not current. David will contact Larry Long to get new version and have Steve Kellogg place on the GoF West website.

⇒ Schedule should be place on or in the name badge holders

⇒ First times badges should be different. Possibly a different color.

⇒ Outside pavilion was good idea. (Pete Thelander)

⇒ Club T MG folks did a good job with event working around Covid-19 issues. (Joyce Edgar)

⇒ Val said that event was good even with uncontrollable Covid-19 problems and she had fun.

⇒ Auction is a lot of work (Kevin Campbell) Possible use of email blasts and getting items earlier in the week would help.

⇒ Great Funkhana!

⇒ It was suggested the Steering Committee should keep samples of all forms on the GoF Website.

Recap: GoF West 2020+1 was successful with minor issues

The Steering Committee is comprised of seven members for a rotating three year term. This year we need four people to fill the Committee. The meeting was opened for nominations for members of the steering Committee. The following were nominated and the nominations were accepted by a show of hands. There was no opposition: Kevin Campbell, Lawrie Alexander, Mike Campbell, Jim Bull and Sara Barrow. Larry Long was nominated but withdrawn as he will be on the Steering committee by virtue of being the GoF West 2022 Chair. A decision was made to allow an additional person on the Steering Committee.

David made a motion to have Pete & Fran Thelander hold the title of Honorary Steering Committee members (non-

voting). The lander are founding members of the GoF West and they have attended all of these events. This was accepted by a show of hands.

The meeting was adjourned at 3:40pm. Respectfully submitted by Val Howard-Hogue, Secretary, GoF West, Inc.
