

## **Kathy Tyzzer**

I am a retired elementary school principal from Davis, California. My husband Bob and I bought our first MG, a 1969 MGC-GT, in Athens, Georgia in 1977. It was our second daily driver for several years until it needed work. We moved it several times on trailers until we ended up in Davis in 2003. It sat waiting for time and money until last fall when another Sacramento Valley MG Car Club member bought it. Meanwhile, we bought a 1966 MGB from a club member in 2016 and a 1968 MGC-GT from a collector near San Diego in 2019. As members of the SVMGCC we enjoy club events and especially MG runs through the gold country. Starting January 2024, I will be serving as the SVMGCC President.
